WHEREAS, in addition to declaring an initial State of Emergency on March 13, 2020, the undersigned has issued various Executive Orders initiating and directing further extraordinary measures to address the significant public health, economic, and other impacts associated with COVID-19, certain provisions of which have been extended by subsequent and distinct emergency declarations set forth in Executive Order Nos. 2020-15, 2020-23, 2020-29, and 2020-35; and

WHEREAS, the President’s Coronavirus Guidelines for America recommend, *inter alia*, that the American people “[w]ork or engage in schooling from home whenever possible”; “[a]void social gatherings in groups of more than 10 people”; “[a]void eating or drinking at bars, restaurants, and food courts—use drive-thru, pickup, or delivery options”; and “[a]void discretionary travel, shopping trips, and social visits”; and

WHEREAS, on March 29, 2020, the President of the United States extended and expanded the provisions of his Coronavirus Guidelines for America until April 30, 2020, based on the ongoing nature and evolving scope of the global COVID-19 pandemic; and

WHEREAS, on March 31, 2020, the undersigned issued Executive Order No. 2020-17, directing that certain “non-essential” businesses, venues, facilities, services, and activities in the

WHEREAS, on April 3, 2020, the undersigned issued Executive Order No. 2020-18, superseding the provisions of Executive Order No. 2020-17 and directing that certain additional “non-essential” businesses, venues, facilities, services, and activities in the general category of retail stores also be closed to non-employees and the public, effective Monday, April 6, 2020, at 5:00 p.m.; and

WHEREAS, on April 6, 2020, the undersigned issued Executive Order No. 2020-21, directing, *inter alia*, that effective Tuesday, April 7, 2020, at 5:00 p.m., any and all residents and visitors of the State of South Carolina are required to limit social interaction, practice “social distancing” in accordance with CDC guidance, and take every possible precaution to avoid potential exposure to, and to slow the spread of, COVID-19, and shall limit their movements outside of their Residence, except for purposes of engaging in Essential Business, Essential Activities, or Critical Infrastructure Operations, as such terms are further defined therein; and

WHEREAS, on April 16, 2020, the President of the United States issued new Guidelines on Opening Up America Again, which contemplate individual States reopening in phases using a deliberate, data-driven approach tailored to address the situation in each State; and

WHEREAS, on May 12, 2020, the undersigned issued Executive Order No. 2020-35, declaring an additional, distinct State of Emergency—based on, *inter alia*, the continued spread of COVID-19, the disproportionate impact of COVID-19 on the State’s elderly population, and the need for the rapid deployment and widespread implementation of enhanced tracing and

testing to identify, isolate, and address cases of COVID-19—and implementing additional extraordinary measures to address the same, while also extending provisions of certain prior Orders for the duration of the State of Emergency, unless otherwise modified, amended, or rescinded; and

WHEREAS, on May 15, 2020, upon consultation with, *inter alia*, various state and federal agencies, officials, and experts, the undersigned issued Executive Order No. 2020-36, amending certain prior Orders so as to initiate additional modifications to prior “non-essential” business closures—namely, “close-contact service providers” and specific “recreational and athletic facilities and activities,” as identified by general description and further defined therein—and continue the process of safely, strategically, and incrementally reopening businesses and facilitating economic recovery and revitalization; and

WHEREAS, while COVID-19 continues to represent an evolving public health threat, the State of South Carolina must also remain focused on addressing and attempting to mitigate the significant economic and other impacts associated with the pandemic, as well as the resulting burdens on individuals, families, and businesses; and

WHEREAS, section 1-3-430 of the South Carolina Code of Laws, as amended, provides that when a state of emergency has been declared, the undersigned “may further, cope with such threats and danger, order and direct any person or group of persons to do any act which would in his opinion prevent or minimize danger to life, limb or property, or prevent a breach of the peace; and he may order any person or group of persons to refrain from doing any act or thing which would, in his opinion, endanger life, limb or property, or cause, or tend to cause, a breach of the peace, or endanger the peace and good order of the State or any section or community thereof, and he shall have full power by use of all appropriate available means to enforce such order or proclamation”; and

WHEREAS, in accordance with section 25-1-440 of the South Carolina Code of Laws, as amended, when an emergency has been declared, the undersigned is “responsible for the safety, security, and welfare of the State and is empowered with [certain] additional authority to adequately discharge this responsibility,” to include issuing, amending, and rescinding “emergency proclamations and regulations,” which shall “have the force and effect of law as long as the emergency exists”; and

WHEREAS, the undersigned is further authorized, pursuant to section 25-1-440 of the South Carolina Code of Laws, to “direct and compel evacuation of all or part of the populace from any stricken or threatened area if this action is considered necessary for the preservation of life or other emergency mitigation, response, or recovery; to prescribe routes, modes of transportation, and destination in connection with evacuation; and to control ingress and egress at an emergency area, the movement of persons within the area, and the occupancy of premises therein”; and

WHEREAS, in accordance with section 16-7-10(A) of the South Carolina Code of Laws, as amended, “[i]n any area designated by the Governor in his proclamation that a state of emergency exists, and during the duration of the proclamation, it is unlawful for a person to: violate a provision in the proclamation including, but not limited to, any curfew set forth by the

proclamation; congregate, unless authorized or in their homes, in groups of three or more and to refuse to disperse upon order of a law enforcement officer; or wilfully fail or refuse to comply with any lawful order or direction of any law enforcement officer”; and

WHEREAS, it is axiomatic that “[t]he health, welfare, and safety of the lives and property of the people are beyond question matters of public concern, and reasonable regulations and laws designed to preserve and protect the same are clearly contained in the police power inherent in the sovereign,” 1980 S.C. Op. Att’y Gen. 142 (Sept. 5, 1980); and

WHEREAS, the State of South Carolina must remain flexible to account for the evolving nature and scope of the unprecedented public health emergency posed by COVID-19, while also simultaneously continuing the process of safely, strategically, and incrementally reopening businesses and facilitating economic recovery and revitalization; and

WHEREAS, as part of ongoing efforts to reinvigorate the State’s economy and expedite a safe return to pre-pandemic prosperity, it is important to revisit and review previous Orders on a regular basis to ensure that remaining emergency measures are narrowly tailored to combat COVID-19 via the least restrictive means deemed necessary in view of the latest data from DHEC and the CDC; and

WHEREAS, for the aforementioned and other reasons, and upon consultation with, *inter alia*, various state and federal agencies, officials, and experts, the undersigned has determined that it is necessary and appropriate to modify and amend certain terms and provisions of prior Orders as part of the ongoing process of facilitating economic recovery and revitalization in a safe, strategic, and incremental manner, while also continuing to encourage effective “social distancing” practices and implement additional measures to provide for and ensure the health, safety, security, and welfare of the people of this State.

NOW, THEREFORE, by virtue of the authority vested in me as Governor of the State of South Carolina and pursuant to the Constitution and Laws of this State and the powers conferred upon me therein, I hereby order and direct as follows:

Section 1. Additional Incremental Modification of Non-Essential Business Closures

C. I hereby authorize DHEC to provide or issue any necessary and appropriate additional or supplemental guidance, rules, regulations, or restrictions regarding the application of this Section or to otherwise provide clarification regarding the same, through appropriate means, without the need for further Orders.

D. Except as expressly provided herein, this Section shall not be construed to modify, amend, or otherwise alter the provisions of any prior or future Orders issued by the undersigned in connection with the State of Emergency and does not repeal, by implication or otherwise, the remaining terms and provisions of, *inter alia*, Executive Order Nos. 2020-18 and 2020-21, as previously amended and extended. B. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this Order is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this Order, as the undersigned would have issued this Order, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

C. If or to the extent that any political subdivision of this State seeks to adopt or enforce a local ordinance, rule, regulation, or other restriction that conflicts with this Order, this Order shall supersede and preempt any such local ordinance, rule, regulation, or other restriction.

D. This Order is effective immediately and shall remain in effect for the duration of the State of Emergency unless otherwise modified, amended, or rescinded by subsequent Order. Further proclamations, orders, and directives deemed necessary to ensure the fullest possible protection of life and property during this State of Emergency shall be issued orally by the undersigned and thereafter reduced to writing and published for dissemination within the succeeding 24-hour period.
