NOW, THEREFORE, by virtue of the authority vested in me as Governor of the State of South Carolina and pursuant to the Constitution and Laws of this State and the powers conferred upon me therein, I hereby order and direct as follows:

Section 1. Modification of Emergency Restrictions for Public Beaches and Waters to Account for Home or Work Order

To facilitate authorized outdoor exercise and recreational activities in accordance with the provisions of Section 1 of Executive Order No. 2020-21 (Home or Work Order), as extended by Executive Order No. 2020-23, pursuant to the cited authorities and other applicable law, I hereby determine, order, and direct as follows:

A. I hereby modify and amend the provisions of Section 1(B) of Executive Order No. 2020-16 (Emergency Access Restrictions for Public Beaches and Waters), as extended by Executive Order No. 2020-23, effective Tuesday, April 21, 2020, at 12:00 p.m., to rescind the order and directive that any and all public beach access points, to include any adjacent or associated public parking lots or other public facilities, shall be closed to public access for recreational purposes for the duration of the State of Emergency. Notwithstanding the foregoing, I hereby authorize any agency, department, county, municipality, or political subdivision of the State owning, operating, managing, or otherwise having jurisdiction and control over any such public beach access points to close, in whole or in part, or otherwise restrict the use of any such public beach access points, to include any adjacent or associated public parking lots or other public facilities, if it is determined that such action is necessary to preserve or protect public health. This authorization shall remain in effect for the duration of the State of Emergency, unless otherwise modified, amended, or rescinded by subsequent Order.

B. I hereby modify and amend the provisions of Section 1(C) of Executive Order No. 2020-16 (Emergency Access Restrictions for Public Beaches and Waters), as extended by Executive Order No. 2020-23 and modified by Section 1(A) of Executive Order No. 2020-25 (Modification of Emergency Restrictions for Public Waters to Account for Home or Work Order), effective Tuesday, April 21, 2020, at 12:00 p.m., to rescind the order and directive that any and all public piers, docks, or wharfs providing public access to the public waters of this
State, to include any adjacent or associated public parking lots or other public facilities, shall be closed to public access for recreational purposes for the duration of the State of Emergency. Notwithstanding the foregoing, I hereby authorize any agency, department, county, municipality, or political subdivision of the State owning, operating, managing, or otherwise having jurisdiction and control over any such public piers, docks, or wharfs to close, in whole or in part, or otherwise restrict the use of any such public piers, docks, or wharfs, to include any adjacent or associated public parking lots or other public facilities, if it is determined that such action is necessary to preserve or protect public health. This authorization shall remain in effect for the duration of the State of Emergency, unless otherwise modified, amended, or rescinded by subsequent Order.

C. This Section shall not be construed to modify, amend, or otherwise alter the terms and provisions of Executive Order No. 2020-16, as modified by Executive Order No. 2020-25, with regard to public boat ramps and boat landings providing public access to the public waters of this State.

D. In accordance with Section 1 of Executive Order No. 2020-21, any and all residents and visitors of the State of South Carolina are required to limit social interaction, practice “social distancing” in accordance with Centers for Disease Control and Prevention (“CDC”) guidance, and take every possible precaution to avoid potential exposure to, and to slow the spread of, COVID-19, and shall limit their movements outside of their Residence, as defined therein, except as expressly authorized. Pursuant to Section 1(E) of Executive Order No. 2020-21, individuals are permitted to “[e]ngag[e] in outdoor exercise or recreational activities, provided that a minimum distance of six (6) feet is maintained during such activities between all persons who are not occupants of the same Residence.”

E. Notwithstanding the foregoing, individuals are still subject to the provisions of prior and future Orders issued by the undersigned in connection with the State of Emergency, to include Executive Order No. 2020-13, as extended by Executive Order No. 2020-23, which expressly authorizes any and all law enforcement officers of the State, or any political subdivision thereof, to prohibit or disperse any congregation or gathering of people, unless authorized or in their homes, in groups of three (3) or more people, if any such congregation or gathering is deemed to pose, or could pose, a threat to public health.

F. I further expressly authorize the South Carolina Department of Natural Resources (“DNR”) and the South Carolina Department of Health and Environmental Control (“DHEC”), as applicable, to provide or issue any necessary and appropriate additional or supplemental guidance, rules, regulations, or restrictions regarding the application of this Section or to otherwise provide clarification regarding the same, through appropriate means, without the need for further Orders.

Section 2. Incremental Modification of Non-Essential Business Closures

To begin the process of safely, strategically, and incrementally reopening businesses and facilitating economic recovery and revitalization, while also continuing to implement further
proactive measures to provide for and ensure the health, safety, security, and welfare of the people of this State, pursuant to the cited authorities and other applicable law, I hereby determine, order, and direct as follows:

1. Emergency Maximum Occupancy Rate. D. This Section shall not be interpreted, applied, implemented, or construed in a manner so as to suspend, restrict, or otherwise limit the sale or transportation of firearms or ammunition or any component thereof.

E. Notwithstanding the foregoing, any and all businesses, venues, facilities, services, and activities in this State are urged to facilitate effective “social distancing” practices. As applicable and to the maximum extent possible, to further promote “social distancing,” facilitate self-isolation, and otherwise prevent potential exposure to COVID-19, businesses and organizations are also encouraged to utilize telecommuting or work-from-home options for employees and to provide alternate means of purchasing and delivering products and services, to include online or telephone orders and curbside or off-site deliveries, and individuals are encouraged to utilize such options to support businesses in this State during the ongoing public health emergency.

The aforementioned Orders shall remain in effect for the duration of the State of Emergency unless otherwise modified, amended, or rescinded by subsequent Order.

G. This Section shall not be interpreted, applied, implemented, or construed in a manner so as to suspend, restrict, or otherwise limit the authority of the undersigned or the Department to issue, provide, or promulgate any necessary and appropriate additional or supplemental clarification, guidance, rules, regulations, or restrictions regarding the provisions of this Order or of Executive Order No. 2020-18 or Executive Order No. 2020-21. I further expressly authorize the Office of the Governor (“Office”) to provide or issue any necessary and appropriate additional or supplemental guidance, rules, regulations, or restrictions regarding the application of this Section or to otherwise to provide clarification regarding the same, through appropriate means, without the need for further Orders.

B. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this Order is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this Order, as the undersigned would have issued this Order, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

C. If or to the extent that any political subdivision of this State seeks to adopt or enforce a local ordinance, rule, regulation, or other restriction that conflicts with this Order, this Order shall supersede and preempt any such local ordinance, rule, regulation, or other restriction.

D. This Order is effective immediately and shall remain in effect for the duration of the State of Emergency unless otherwise modified, amended, or rescinded by subsequent Order.
